

Preparing the Way

Walking through Advent with Water to Thrive

One person in eight does not have access to safe, clean drinking water. As we wait for the arrival of the Christ Child this Advent, join Water to Thrive in prayer and in action for those who are waiting for water.

Here are some ways you can help bring them hope:

- Instead of buying Christmas presents this year, give gifts of quality time or homemade goodies. Use the money you save to support a water well in a needy community.
- Give the gift of clean water in honor of your loved ones. You can donate through your church or at watertothrive.org.

- Visit the Water to Thrive blog at watertothrive.org/blog for daily reflections and weekly family activities that will help you keep Jesus at the center of the season!
- Pray with us: *As we prepare for the Light of the World, may we be a light to our neighbors in need.*
