

*A gift for clean water
was made in your honor for
Mother's Day!*

*This gift for clean water will change
lives for mothers in rural, East Africa.
With access to clean water, mothers gain
the time, health and energy to create a
brighter future for themselves and their
children. 100% of all donations for water
fund the building of water projects.
Scan the QR code to learn more about
the Water to Thrive mission!*
