

A gift for clean water
was made in your honor for
Mother's Day!

This gift for clean water will change lives for mothers in rural, East Africa. Clean water improves the health of mothers and children, and empowers women. With access to clean water, mothers gain the time and energy to create a brighter future for themselves and their children.

100% of all donations for water fund the building of water projects. Scan the QR code to learn more about the

Water to Thrive mission!
