

Happy Mother's Day!

water is life

*A gift for clean
water has been made
in honor of you!*

This gift for clean water will change lives for mothers in rural, East Africa. With access to clean water, mothers gain the time, health and energy to create a brighter future for themselves and their children.

100% of all donations for water fund the building of water projects. Scan the QR code to learn more about the Water to Thrive mission!
